### Section 1: General Statement of Health and Safety Policy

The following statement sets out the health and safety objectives for our school with the aim of ensuring best practice in the management of health and safety.

#### Weetwood Primary School

- Will take all reasonable steps to provide safe and healthy conditions for pupils, employees and others who may be affected by its activities.
- Will take steps to ensure compliance with all relevant health and safety legislation.
- Accepts that health, safety and welfare are an integral part of all its activities and will take steps to manage these effectively.
- Expects all employees and pupils to co-operate in complying with all legal obligations and to take reasonable care of their own health and safety and have regard for the health and safety of others.
- Is committed to providing the necessary information, instruction and training to all employees and pupils where applicable.
- Acknowledges and actively supports the role and responsibilities of employee representatives and will give full co-operation to elected Safety Representatives of recognised Trade Unions to enable them to carry out their duties effectively.
- Is committed to regular evaluation and review of its Health and Safety Policy to ensure its objectives are met and, as necessary, to modifying the Policy in light of new legislation and other changing circumstances.
- Will set out full details of the organisation and arrangements for the management of health and safety in the school, in separate documents.

## **Section 2: Organisation and Responsibilities**

**Responsibilities for implementing and reviewing the school's Health and Safety Policy are detailed below:**

### **1.0 The Governing Body**

**The Governing Body** has responsibility for ensuring that the LEA Health and Safety Policy is approved for use and that arrangements are in place for the school to implement it.

### **2.0 Management Structure**

**2.1 The Governing Body** is responsible for strategic health and safety planning and for periodic review of health and safety performance.

**2.2 The Head Teacher** is responsible to the Governing Body for securing the full implementation of the school's Health and Safety Policy.

**2.3 Members of the School Management Team** are responsible for ensuring that the requirements of this policy and all other legislative requirements are managed under the normal method of delegated powers and by establishing a system of appraisal of management performance against agreed health and safety performance indicators.

**2.4 Subject Leaders** are responsible for ensuring that the requirements of this policy and legal requirements specific to their sphere of activity are implemented and monitored.

**2.5 The 'Competent person', Darren Clarkson** has responsibility as the competent person for advising the Head Teacher and other Senior Managers in the discharge of their responsibilities under the Health and Safety at Work Act 1974, The Management of Health and Safety at Work Regulations 1999 and all other health and safety legislation, and for liaising with Education Leeds' and Leeds City Council's Health and Safety Officers and enforcement officers such as HM Inspectors of the Health and Safety Executive and West Yorkshire Fire and Civil Defence Fire Officers.

**2.6 Education Leeds' Health and Safety Officers** are responsible for providing advice and support to schools on all aspects of health and safety.

## Section 3 Implementation

**3.1 The Head teacher, Governing Body and Senior Management Team,** will implement the school's Health and Safety Policy by:

- Ensuring adequate resources, both personnel and financial, are allocated to secure implementation of the policy.
- Planning, organising and implementing arrangements to eliminate or control significant risks and to comply with relevant statutory provisions.
- Determining and documenting procedures, operational instructions, guidelines and codes of practice to implement the school's Health and Safety Policy.
- Ensuring that their responsible managers and employees are capable, through recruitment, training or otherwise, to carry out their duties for health, safety and welfare.
- Setting health and safety performance standards to ensure effective management within their areas of control.
- Ensuring that all hazards are identified, significant findings of assessments are recorded, groups exposed to risks are identified and the actions taken to protect the health and safety of these groups are recorded.
- Ensuring that all employees are familiar with, and comply with, the requirements of the school's Health and Safety Policy and that all new employees are inducted into the requirements of the Health and Safety Policy and any school and departmental guidelines and instructions.
- Ensuring that contractors and sub-contractors have effective arrangements for health, safety and welfare.
- Establishing systems for monitoring all arrangements to ensure that they are working effectively.
- Reviewing information from monitoring systems to ensure continued and effective compliance with performance standards.
- Reporting annually to the Governing Body on health and safety issues within the school.

**3.2 Subject Leaders** will ensure that:

- Any health and safety matters that they cannot deal with directly are brought to the attention of the Headteacher and Senior Management Team.
- Significant hazards within their subject are identified and suitable risk assessments undertaken, which will include general workplace risks, substance risks, equipment risks etc.
- Safety measures and controls identified by risk assessments are implemented.
- Employees and pupils are provided with suitable and sufficient information, instruction and training to enable compliance with this policy and legal standards.
- Will implement a system to manage health and safety within their subject, which may include a schedule of inspection; service and maintenance arrangements for equipment and services; accident investigation arrangements.
- Equipment and substances are suitable for the purpose they are used.

### 3.3 Employees

All employees are responsible for:

- Complying with the school's Health and Safety Policy.
- Taking reasonable care of their own health and safety and that of others affected by their acts or omissions.
- Co-operating with their management in complying with relevant statutory provisions.
- Using all work equipment and substances in accordance with the instruction and training received.
- Not intentionally misusing anything provided in the interests of health, safety and welfare.
- Following all prescribed safe working practices and not working while unfit to do so.
- Reporting to their supervisor or manager any health and safety problem they cannot deal with themselves or any shortcoming they find in the health, safety and welfare arrangements.

### 3.4 Pupils

All pupils will be responsible for

- Complying with school rules and procedures.
- Taking reasonable care of themselves and others.
- Co-operating with their teachers and other school staff.
- Using equipment and substances in the manner in which they are instructed.
- Not misusing anything provided for the purposes of health and safety.
- Reporting anything they believe to be hazardous or dangerous to their Teacher/ Deputy Head / Head Teacher.

### 3.5 Consultation

There will be full consultation with representatives elected by the Trade Unions recognised by the school and the LEA, regarding the establishment and implementation of all of the school's health, safety and welfare arrangements in accordance with consultation arrangements to be agreed.

Wherever possible this may extend to include pupil representation.

### 4.0 Audit and Review

The Principal means used for reviewing the school's Health and Safety Policy will be:

- Audits of health and safety management in individual subjects.
- Annual reports to the Governing Body covering the management of health and safety within the school.

- Regular evaluation and review to ensure that new legislation or other changing circumstances are incorporated within the Health and Safety Policy and that the Policy remains effective.
- Evaluation of health and safety management against performance indicators to ensure that objectives are met and that best value provision is obtained.
