

Weetwood School News

Dear Parent/Carers,

Happy Half Term Everyone! It has been an action packed half term and the last half term has plenty more fun events in store. Please check the dates on the calendar for the final term. Last week, Year 6 completed their SATs tests. These are statutory assessments that we must carry out in Year 6 each year. The class were an absolute credit to the school. They conducted themselves with maturity and worked really hard to demonstrate everything they have learnt.

YEAR 5

As some of you may know, Year 5 study a topic called Restless Earth, as part of this, the children look at plastic and the environmental impact. Year 5 took part in the Big Plastic Count and as a result, they wrote to the prime minister to ask him to support The Global Plastic Treaty, which would mean improved recycling, clearer plastic labelling and a bigger response to plastic pollution. Excitedly, they received a response! The government are impressed that the children take plastic pollution seriously and reassured us all that the government are doing all that they can to reduce it!

YEAR 3

Miss Worsnop has been busy bringing learning to life in Year 3 and they are keen to share the science work they have completed this half term. The class have been learning about pollination and had a great time securing their knowledge and understanding through drama. Have a look at the photos:

POND

The extremes of the weather mean that the school grounds grow at a rapid rate at this time of year. The pond was completed before Easter and has had plenty of activity recently but it is becoming overgrown very quickly! If you have any free time, to help us with gardening and keeping on top of the school grounds it would be much appreciated. If you are able to volunteer, please email Mrs Haworth at bursar@weetwoodprimary.co.uk. We are also in the process of working with the pond experts to rejuvenate the life of the pond.

Finally, I hope you all have a wonderful break.

Kind regards

Mrs Ellison
